30 YEAR ANNIVERSARY

Solutions for Vehicle **Builders**

THE AUDIOBUS GROUP

Independent family-owned AudioBus is the outcome of a merger of several companies that came together in January 1994 is one of the largest manufacturers of Bus, Coach and Special Vehicles products in the World.

The company designs, manufactures, and markets Electrical, Electronic, Climate Control, Lighting and Accessories.
AudioBus has a diversified presence as a leader in high growth areas of the vehicle builders industry and provides solutions for customers in the automotive and railway markets.

As a family business, our focus is on our customers; we strongly believe in communicating with you. We provide high quality, reliable products and excellent customer service, no matter how large or small the order.

Many of our customers have benefited from our product and application knowledge, so whether you need, please contact us with your enquiry.

Audiobus has experienced remarkable growth, expanding **from 500 m² to 5,000 m²** of facilities, while our team has grown fivefold — **from 11 to 48 talented professionals.** Last year, we proudly closed with a turnover of more than **€14 million**, a milestone that reflects both our commitment and the trust of our clients..

# OUR PRODUCTS ARE USED IN A DIVERSE RANGE OF APPLICATIONS INCLUDING:

- Buses and Coaches
- Minibuses
- Trams
- Trains
- **Military Vehicles**
- Commercial Vehicles and Vans
- Camper, Caravan, Motorhomes
- **Heavy Duty Off-Road Vehicles: Trucks, Mining**
- **Special Vehicles: Ambulances, Police Cars, Fire Trucks**
- Agriculture
- **Marine**

If you are unsure of the product you need, our sales and technical team are on hand to offer their expertise. With over 40 years of experience within the industry, we can offer suggestions for the most applicable products. We also have highly experienced field representatives who are available to visit and discuss your requirements.
